

Transformed Lives & Restored Hope...

Natalia Ungureanu

- ❖ 25 years of experience working in the field of social assistance
- ❖ Active member of Touched Romania since 2005
- ❖ A life of dedication towards helping single mothers and their children who have fallen victims to domestic abuse
- ❖ Actively coordinating projects made to help both the children and mothers , for example by placing them under our care in our Maternal Center

Touched Romania exists to transform the lives of at-risk women and their children by providing holistic centered restorative care.

❖ Hagar Home
Maternal Center

Women in crisis with children (or pregnant) come to Hagar Home.

They are oftentimes fleeing dangerous situations and may have a history of:

- child institutionalization
- domestic violence
- sexual exploitation

Hagar Home provides restorative services to help these women and their children overcome life challenges and move forward to fulfill their destiny.
