### **ENERGIEKE MARKT**Groene Hub & Partners

There will be something for everyone: energetic snacks, fun prizes, colouring competition, making cherry pit pillows, and much more!

#### A Matter of Multiple Value Creation!

#### New, upcoming Doughnut Deals next week:

• Infrared panels (electr.), for more local heat than the regular central heating boiler; no (Russian/fossile) gas!

Plus Solidarity with the poor, because of the high energy bill, Collective purchasing; discount

• Solar panels, second-hand; here on the roof of Groene Hub; demo!

•

#### **Conclusions**

- Donut-Deals are a beautiful means, for smaller and bigger issues
- They don't stand 'on itself'
- They are part of a 'richer' context; a broader societal task

"Let's play and DEAL with it! Let's CO!"
