**Wednesday, 27<sup>th</sup> November**

In this first day of the meeting partners presented their own organisations

**Thursday, 28<sup>th</sup> November**

In the morning *Italian in Italy* introduced to other partners the representatives of two associations working in the women empowerment:

**Giovanna Gattuso**, member and Choir conductor of *FIDAPA BPW Rome Italy*. Fidapa (International Federation of Business and Professional Women) is an international association whose goal is to promote the initiatives of the women associated, develop their projects, raise awareness of the competent bodies.

**Ania Lopez**, member of the Engineering National Council and member of the new executive Board of World Federation of Engineering Organizations. Ania Lopez presents some figures about the Italian situation of the presence of women in the engineering field.

*Italian in Italy* presents some figures about the real Gender Gap situation in Italy. The data provided from *Global Gender Gap Report* of the World Economic Forum 2019.

In the afternoon:

**Virginia Vandini** presented to partners the association *Il Valore del Femminile* whose aim is to create a network to orient, stimulate and connect different ways to promote innovation, evolution, creativity, beauty, potentiality and prosperity.

At the end of the speech's partners have started the first part of the **Coordinator Meeting** in which they have taken decisions on the project.

## Friday, 29<sup>th</sup> November

In the third day of the meeting in the morning, partners met:

**Gerlie Saura** and **Marilina Colella** introduced to the partners the activities of the Professional Women's Association in Rome a volunteer-based and notprofit membership organization of women with diverse background, cultures and profession, where women can meet other women coming from a different experience and stage of their professional path/life.

**Maria Laura Santucci**, High School Teacher, from Liceum Convitto Nazionale that brought all partners to reflect on Italian situation about girls in secondary schools.

In the afternoon:

At the end of the speech's partners have started the second part of the **Coordinator Meeting** in which they have taken decisions on the project.

The Coordinator Meeting of the partners involved in the Netpower project made the following decisions:

- 1) Partners established the calendar of next Transnational Meetings:
  - a. Kick off meeting – Rome 27th-29th November 2019
  - b. 2nd meeting – Romania – Bucharest 20th-22nd May 2020
  - c. 3rd meeting – France – Paris 17th- 19th September 2020 (The Association *Femmes Chefs d'Enterprises Mondiale* has to confirm it)
  - d. 4th meeting – Finland – Helsinki 28th-30th May 2021
  - e. 5th meeting – Netherland – September 2021
- 2) Partners decided that, in the 2<sup>nd</sup> meeting in Romania, all the partners have to show a detailed research concerning the real situation of Gender Gap in their own country.
- 3) A questionnaire with the feedback of past meeting should be prepared after every meeting by the hosting country.

- 4) Partners decided to divide into equal shares the expenses occurred by Italian in Italy for bank guarantee as request to Italian National Agency. The shares will be retained with the first transfer of the project money.
- 5) Template for documentation: a specific template should be prepared for every official document of the project.
- 6) Website: Italy is in charge to realize a project website. During the Kickoff meeting partners decided to prepare it including the following pages:
  - a. Homepage, with general information
  - b. About the project: summary of the project, partner descriptions
  - c. Project Materials: here we collect the materials connected to the project topics divided the four categories into which the Global Economic Forum Gender Gap Report 2019 is divided (economic participation and opportunity, educational attainment, health and survival, political empowerment).
  - d. Meetings: materials related to the Transnational meetings of the project
  - e. Gallery, the pictures of the activities done in the meetings.
  - f. Contacts
- 7) Italian partner designed an idea of Logo for the project in order to quickly identify the project, especially in the official documentation. The other partners agreed with the Logo created.
- 8) Partners decided to organize recurring Skype Meeting in order to discuss the most important issues of the project
