

Netpower – Erasmus+ Project – Code 2019-1-IT02-KA204-063097

ASSOCIATIONS INVOLVED

One of the objectives of the *NetPower* project was to establish a strong European-wide network of associations committed to combating gender inequalities. This was achieved by bringing together and presenting the most active organisations in each of the countries involved in order to arrive at a large network at European level. The organisations involved although working with the same aims have very different character, structure, and specific objectives. Below they are presented grouped by similarity of work area:

Professional Associationism:

- FIDAPA BPW Italy, association to promote, coordinate and support the initiatives of women working in several fields.
- Women Engineers National Council, Italian section.
- Professional Women's Association of Rome, non-profit networking organization that supports and promotes the interests of professional women.
- Lawyers' association of Romania
- Coalition of Finnish Women's Associations.
- Associations des Femmes de l'Europe Méridionales, information and action network for the promotion of gender equality in Southern European countries.
- Consortium 2 GAP Public and private women in France.
- Graduate Women International.
